Funeral Home

Worlein Funeral Home

Austin, Minnesota

12,075 Square Feet

Designed to be warm and comfortable, the chapels, visitation rooms, foyer, elevator, lunch room and open areas convey a sense of spaciousness while maintaining intimacy and privacy. The design contains such features as ground-level visitation and funeral facilities, a children's room to occupy youngsters while their parents visit, spacious parking, an elevator which makes our entire facility 100% handicap accessible and a large furnished room suitable for post-service receptions or gatherings.
